#7	
#8	
#9	
#10	

Additional Notes or Information

Thank you for your consideration. Our biggest expense is transportation for our week long summer program. To be able to rent a bus would ensure safety for our 30-35 boys and girls, keep them all together during field trips and provide comfortable transit for the entire week.

We have a 2nd annual fundraiser planned in February where we plan to have a silent auction to raise money while we bring community awareness to our new facility being built in 2017. Auction of donated items will help with some operating expenses when our flight academy is up and running. We are happy to auction off any items not mentioned in this request that would be cool to have. We need your help.

Regards, Cliff Curtis
Academy Director

Additional Notes or Information

The Hope that HEALS mission is to provide enrichment, opportunity, and support for adults with special needs who have aged out of the school system. We support any adult, ages 22 and older with various special needs/abilities who need socialization, activities, educational training, continued life skills, volunteer and job opportunities. In our area, adults with special needs do not have access to the continued training necessary to compete in the workforce or become contributors in the community due to the limitations in our area. We have limited transportation opportunities and zero community activities centers to continue the training needed to bridge the gap left when this population ages out of the school district.

Additional Notes or Information

We are the Pregnancy Resource Center of Milton, a faith-based, not-for profit that offers all of our services free of charge to our clients. Our clients come in for free pregnancy testing and then participate in our incentive program by attending prenatal classes, parenting classes, child safety classes, life skill classes, and if they desire, Bible studies. They "earn" baby bucks for taking the classes so they can

"purchase" clothing, furniture, diapers, and mos of what they need to get started with the new baby. We also have clients who are already parents who participate in our programs. In 2017 we will start offering free limited ultrasounds for women in their first trimester of pregnancy. Early diagnosis allows us the opportunity to get them medical referrals for the care they will need. We also refer to the Health Department, WIC, and many other agencies that can help them. Our free ultrasounds will begin at our Stewart Street location in early 2017 and then in late 2017 we plan to buy a mobile medical unit so we can travel all over Santa Rosa County, and also into Escambia County, to reach the women who cannot get to us. Your help will be greatly appreciated. We would welcome in questions you may have.

Additional Notes or Information

#1 \$97K and \$56K represent what Special Olympics will spend in 2017 to support our Community based program. This is our direct link to over 400 athletes in Escambia and 250 in Santa Rosa County. Athletes have eight or more opportunities to take advantage of Healthy Athletes. The mission of Special Olympics Healthy Athletes®, is to improve athletes' ability to train and compete in Special Olympics. Healthy Athletes is designed to help Special Olympics athletes improve their health and fitness, leading to enhanced sports experience and improved well-being. Healthy Athletes offers exams in six disciplines, including Fit Feet, FUNfitness (Physical Therapy), Healthy Hearing, Health Promotion, Opening Eyes®, and Special Smiles®. Follow-up includes glasses, shoes and hearing aids at no cost to the athlete.

#2 Ashton will consign to paint a Special Olympics themed original on the Counties' shared 7X12 utility trailer. Design, materials and time is approximately \$7500. The Sponsor will have an opportunity to utilize the rear door a 6X7. A great marketing visual for Special Olympics and the sponsor.

#3 10X10 Logo tent, 2 sets of 12' feather banners, 2 6' tables, chairs and logo cloths. \$1900 per County for complete event set-up.

#4 HP 24-g016 All-in-One Desktop PC with Intel Pentium J3710 Processor, 8GB Memory, 23.8 inch Monitor, 1TB Hard Drive and Windows 10 Home, White
\$569.99 One per County.

#5 Special Olympics Cycling will begin in 2017 for the first time in the Panhandle. A tri-wheel, road bike(s) and tandem bike is needed for each County. 2 Soft 10' GUSU surfboards per County are needed, approximately \$500 per board. 2 SUP packages including, soft touring style 10' board, PFD, leash and paddle. GUSU makes a great package we currently use. Specialty Stand Up Paddle board with attached chair needed for an athlete with CP. Board and chair is approximately \$2500.

#6 Go Pro to document our activities, sports and participants. The Hero 5 Black at \$399.99 or the Hero Session at \$199.99 would be fantastic for each County.

#7 Individual Athlete Sponsorships are available at \$500 year. The sponsor will receive a life size plus, signed vinyl portrait of your athlete. If you do not know an athlete or athletes we will make the connection and your athlete(s) will deliver your token of appreciation.

#8 Two permanent Bocce Courts at Bayview Park, East Hill. Benches for families to observe if approved. The parts list for construction is less than \$500 per court. Additionally a small load of clay for playing surfaces is required. Benches TBD.

#9 We have a golf tournament scheduled in each County. Escambia in May and Santa Rosa in August. Auction items, player prizes, gift cards, certificates, goody bag items for 100 players (each tournament) would be very helpful.

#10 We use Cannon MG250 ink and several boxes (2500 sheet, 92 Bright Standard Copy paper annually to complete Athlete Medical forms, Coaches certifications, Volunteer forms and flyers.

Thank you for considering Special Olympics needs!

Additional Notes or Information

Thank you so much for the opportunity to share these items with your organization! WHV is a unique living environment for some of Pensacola's finest senior citizens. We strive daily to maximize their

opportunities and to improve the quality of life for each of our residents! The items listed will serve to do just that!

WHV Resident Auction: Residents who participate in life enrichment activities earn WHV BUCKS which may be used to purchase items at the WHV Auction. This is a great source of fun for residents and motivates them to "Get up and go!".

We need to furnish and supply our new Life Enrichment Center. It has a kitchen and sewing/craft area. This is a place where residents may enjoy sharing and making their own recipes and sewing/constructing items for themselves and for our community.

Hearing Impaired: With an average age of 90, many of our residents are hearing impaired. The Eversound system enables those residents to hear clearly whether it's a guest speaker, lecture, movie, or meeting.

WHV Spa: Having access to a Step-In Spa Tub with Jets will allow residents not only to enjoy the luxury of a spa bath but to also experience the benefits of increased circulation which reduces the risk for skin breakdown and encourages circulation.

Residents enjoy sitting outside: We need to enlarge our sitting area in the courtyard and pave the South Entrance Sitting area.

WHV Window Canopies are 11 years old and in need of replacement.

We'd be so excited to be able to purchase the much needed Bus and Shuttle and would be delighted to build the covered parking for both!

Please feel free to come by and visit us anytime!
