<b>#1</b>	2,000sqft to 5,000sqft building for spay/neuter clinic
<b>#2</b>	Dog/Cat/Puppy/Kitten Food for pet food pantry
<b>#3</b>	Folding Wire Crates (all sizes)
<b>#4</b>	Veterinarian
<b>#5</b>	Toilet Paper/Paper Towels
<b>#6</b>	HP Officejet Pro 8730 D9L20A Wireless All-In-One Color Printer with Duplex Printing
<b>#7</b>	10x10 Shed
<b>#8</b>	Riding Lawnmower
<b>#9</b>	Trucatch LTD30 Brown Live Traps (10)
<b>#10</b>	Bodno Magicard Pronto ID Card Printer & Super Supplies Package with Bodno ID Software
<b>Additional Notes or Information</b>	We want to open a low cost clinic in Santa Rosa County. We have sent almost 800 animals 2 hours away in the past year. We can apply for grants for equipment and training once we own our own facility. We can help so many more animals through vetting/microchipping/education with our own facility. The ID card printer will be for the pet food pantry so ID cards are made at the first visit when we check income and other requirements. This way people can just show their ID and get their month's supply of food. Anything helps.

## Additional Notes or Information

We need volunteers not just to help us, but also help some of our clients. We have a few clients who are disabled and desperately needs help around their homes, for instants, yard work, building a ramp so they don't have to climb stairs to get into their homes. Maybe going in and cleaning or straightening up the house. A lot of our clients don't have family, friends, money, or long term health care to pay someone to come in and help them out. When you donate, tell us where you want it to go, the company or the emergency funds account. The emergency funds is where we put at least 10% of what we make into a saving account for emergency. For instants, Hurricane season, we may need to rent more vehicles to evacuate our clients to a shelter or take them out of the area, or maybe pay someone's power bill, water bill, or grocery bill for the month.
