Additional Notes or Information	<p>The size and condition of the Day Center, being donated by Baptist Health Care, is not yet known, but we are hoping to furnish it and accomplish any renovation/repair needs through donations and volunteer efforts this winter. We continue to seek supporting congregations and businesses who will consider providing shelter in their space for up to 14 people/4 families for a minimum of a week at a time. Longer stays would be better with COVID-19. A static location – where families did not have to move – would be ideal until the pandemic threats are less. We appreciate your efforts to raise awareness of the growing needs of homeless children and their families here and to enlist others in our community to be involved through donations and volunteering.</p>
