Additional Notes or Information	<p>STEM Story's purpose is to give role models to girls who are interested in STEM careers. We are working on a TV series which will begin on WSRE next Fall.</p> <p>At age 12 girls like science and math more than boys but by age 17 when they choose their college major only 17% choose STEM. Why? They need role models of professional women working in the STEM field.</p> <p>We supply those role models in person during STEM Story Live events, and via the TV series that will play on PBS. Any help you can give us would be wonderful. We can change the world if we get more STEM women in our community. Thank you!</p>
