Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

Sincerely,

Director

Dear Sir or Madam:

In accordance with s. 496.403, Florida Statutes ("F.S."), the Solicitation of Contributions Act (ss. 496.401-496.424, F.S.) does not apply to educational institutions, as defined in s. 496.404(10), F.S., or to persons or organizations who solicit solely on behalf of those entities.

Upon review of documents and other relevant information submitted to or obtained by the Florida Department of Agriculture and Consumer Services ("Department"), a determination has been made that the requirements of the Solicitation of Contributions Act do not apply to your organization.

Should changes occur in the future that would render this determination invalid, please contact the Department immediately. If the Department becomes concerned about the validity of this determination, it will contact you immediately for clarification.
